A Guide to Your Post-Live Resources

Our Partner for Life Approach

The magic of our partnership

How We Support Administrators

Elevate day-to-day goals

Proactive guidance for HR and payroll managers, super users, and system administrators to optimize adoption and utilization through best practices and resources.

Content, guides, and toolkits

Alerts, push reminders, and email communications

Training, community and knowledge sharing

Release readiness and adoption trends

How We Support Administrators

We provide extensive support for system administrators through various channels, ensuring they have the assistance they need every step of the way. Here are the various ways your administrators can stay informed and stay on top of everything.

Proactive Communication

We inform your administrators through regular updates, emails, group notifications, and announcements, ensuring they know of any important information or system changes.

User Community

Our vibrant user community connects administrators with like-minded peers from various organizations. Engage in discussion forums, ask questions, share insights, and learn from others' experiences.

Ongoing Training and Webinars

Access ongoing training opportunities and webinars on system updates, new features, and advanced functionalities. Equipping admins to enhance their skills, stay current, and optimize their proficiency with their system.

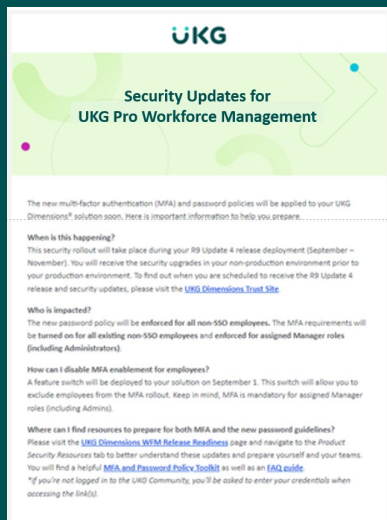

Knowledge Base and Resources

Our comprehensive knowledge base and resources library provides admins easy access to helpful articles, job aides, guides, and best practices. They can explore these resources conveniently to expand their knowledge and find solutions to common challenges.

Dedicated Success Krew Support Team

Your dedicated Success Krew team assists your administrators when needed by creating a case in the UKG Community to get personalized help and guidance tailored to their specific needs.

Email example prepares admins upcoming security updates.

Explore Learn About UKG Pro WFM Resources

Everything you need to make the most out of your UKG Pro WFM solution

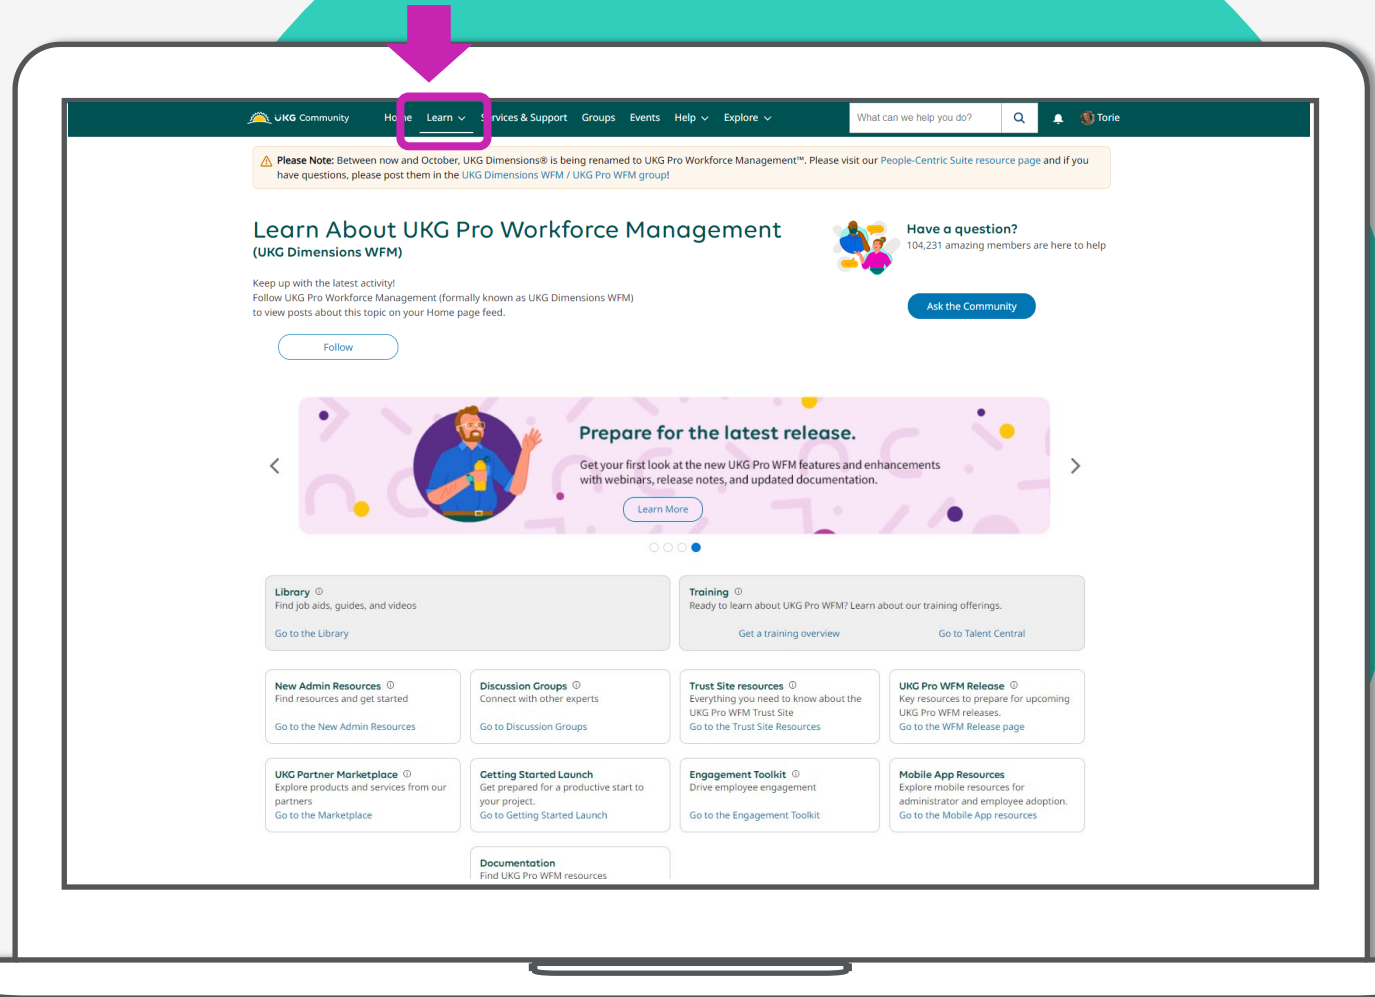

The Learn tab on UKG Community brings together all relevant product resources for your UKG solutions.

Learn Product Pages direct you to:

- Library documentation and webinars
- New administrator resources
- Release information
- Training (University), Trust Site and mobile resources, groups, and more.

Explore Learn About UKG Pro WFM Resources

Select UKG Pro WFM from the Learn drop-down menu

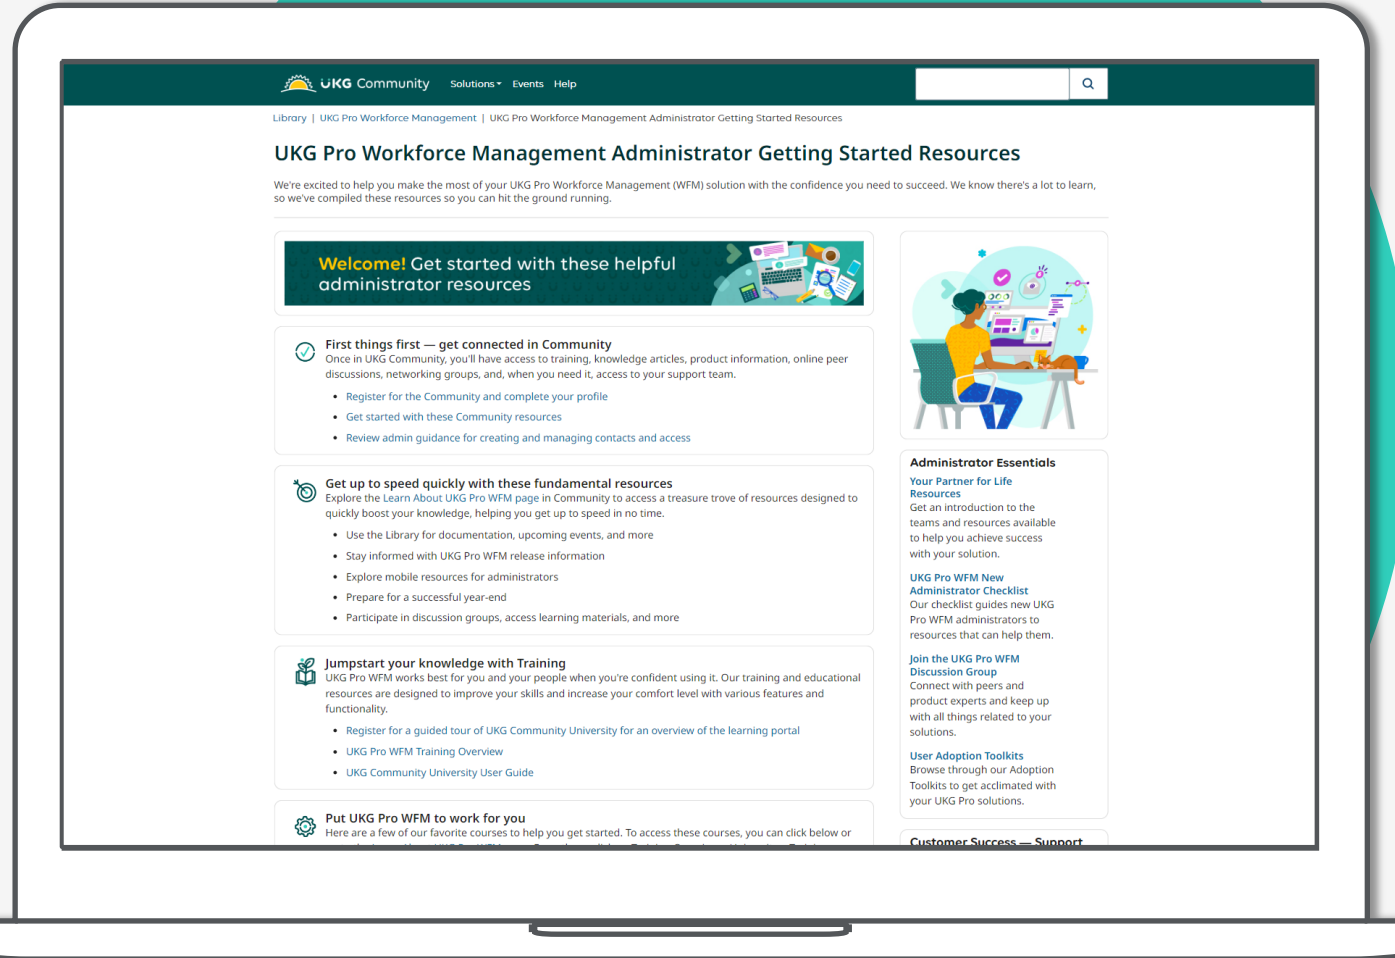

The screenshot shows the UKG Community website interface. At the top, the navigation menu includes 'Home', 'Learn', 'Services & Support', 'Groups', 'Events', 'Help', and 'Explore'. The 'Learn' tab is highlighted with a pink box and a pink arrow pointing to it from the text above. Below the navigation, a banner reads 'Learn About UKG Pro Workforce Management (UKG Dimensions WFM)'. To the right of this banner is a 'Have a question?' section with '104,231 amazing members are here to help' and an 'Ask the Community' button. Below the banner is a 'Prepare for the latest release' section with a 'Learn More' button. The main content area features a grid of resource cards: 'Library' (Find job aids, guides, and videos), 'Training' (Ready to learn about UKG Pro WFM? Learn about our training offerings.), 'New Admin Resources' (Find resources and get started), 'Discussion Groups' (Connect with other experts), 'Trust Site resources' (Everything you need to know about the UKG Pro WFM Trust Site), 'UKG Pro WFM Release' (Key resources to prepare for upcoming UKG Pro WFM releases.), 'UKG Partner Marketplace' (Explore products and services from our partners), 'Getting Started Launch' (Get prepared for a productive start to your project.), 'Engagement Toolkit' (Drive employee engagement), 'Mobile App Resources' (Explore mobile resources for administrator and employee adoption.), and 'Documentation' (Find UKG Pro WFM resources).

UKG Pro Workforce Management Getting Started Resources

Here, you'll find all the essential resources to become proficient in UKG Pro WFM administration. With carefully curated tools and information, you'll confidently hit the ground running!

- Get connected on Community
- Quick access to training and educational resources to improve your skills
- Top time-saving features and their courses
- Support overview and ways to engage

Visit the UKG Pro Workforce Management Administrator Getting Started Resources page to familiarize yourself with the resources above.

The screenshot displays the UKG Community website interface for the "UKG Pro Workforce Management Administrator Getting Started Resources" page. The page features a dark teal header with the UKG Community logo and navigation links for "Solutions", "Events", and "Help". A search bar is located in the top right corner. Below the header, the page title is "UKG Pro Workforce Management Administrator Getting Started Resources". A sub-header reads: "We're excited to help you make the most of your UKG Pro Workforce Management (WFM) solution with the confidence you need to succeed. We know there's a lot to learn, so we've compiled these resources so you can hit the ground running." The main content area is divided into several sections:

- Welcome! Get started with these helpful administrator resources**: A banner with an illustration of a person at a computer.
- First things first — get connected in Community**: A section with a checkmark icon, stating that users will have access to training, knowledge articles, product information, online peer discussions, networking groups, and support team access. It includes a list of actions: "Register for the Community and complete your profile", "Get started with these Community resources", and "Review admin guidance for creating and managing contacts and access".
- Get up to speed quickly with these fundamental resources**: A section with a target icon, stating that users can explore the "Learn About UKG Pro WFM" page for a treasure trove of resources. It includes a list of actions: "Use the Library for documentation, upcoming events, and more", "Stay informed with UKG Pro WFM release information", "Explore mobile resources for administrators", "Prepare for a successful year-end", and "Participate in discussion groups, access learning materials, and more".
- Jumpstart your knowledge with Training**: A section with a book icon, stating that UKG Pro WFM works best when users are confident using it. It includes a list of actions: "Register for a guided tour of UKG Community University for an overview of the learning portal", "UKG Pro WFM Training Overview", and "UKG Community University User Guide".
- Put UKG Pro WFM to work for you**: A section with a gear icon, stating that users can click below to access favorite courses.
- Administrator Essentials**: A section with a person at a computer icon, containing sub-sections: "Your Partner for Life Resources" (introduction to teams and resources), "UKG Pro WFM New Administrator Checklist" (checklist for new administrators), "Join the UKG Pro WFM Discussion Group" (connect with peers and experts), and "User Adoption Toolkits" (browse through adoption toolkits).

Join Groups in the Community

Network with fellow customers, connect with UKG experts, ask questions about your solution, and find release information, announcements, and more in the groups.

Unlimited Training for Life

Empower Your Success Through Training

Taking system training is not just about learning how to use your system; it's about driving positive outcomes for your organization. Here's why investing time in training is a crucial part of your success.

Maximize Efficiency

- Unlock the full potential of our system, enabling you to streamline processes, automate tasks, and work more efficiently
- Learning advanced features and techniques enable time-saving shortcuts that can make a significant impact on productivity

Improve Accuracy

- Helps you understand the system's functionalities and how to use them correctly
- System knowledge minimizes errors and reduces the risk of costly mistakes
- Accurate data and processes, enable informed decisions that positively impact your organization

Boost User Adoption

- Training empowers your team to confidently embrace the system, providing them with the knowledge and skills needed to navigate the software, increasing user adoption and acceptance
- This in turn, leads to improved data consistency, collaboration, and overall system effectiveness

Stay Up-to-Date

- Training informs you about the latest updates, new features, and best practices. By staying current, you can leverage new functionalities and optimize your use of the system, ensuring you're always at the forefront

UKG Training Pathfinder

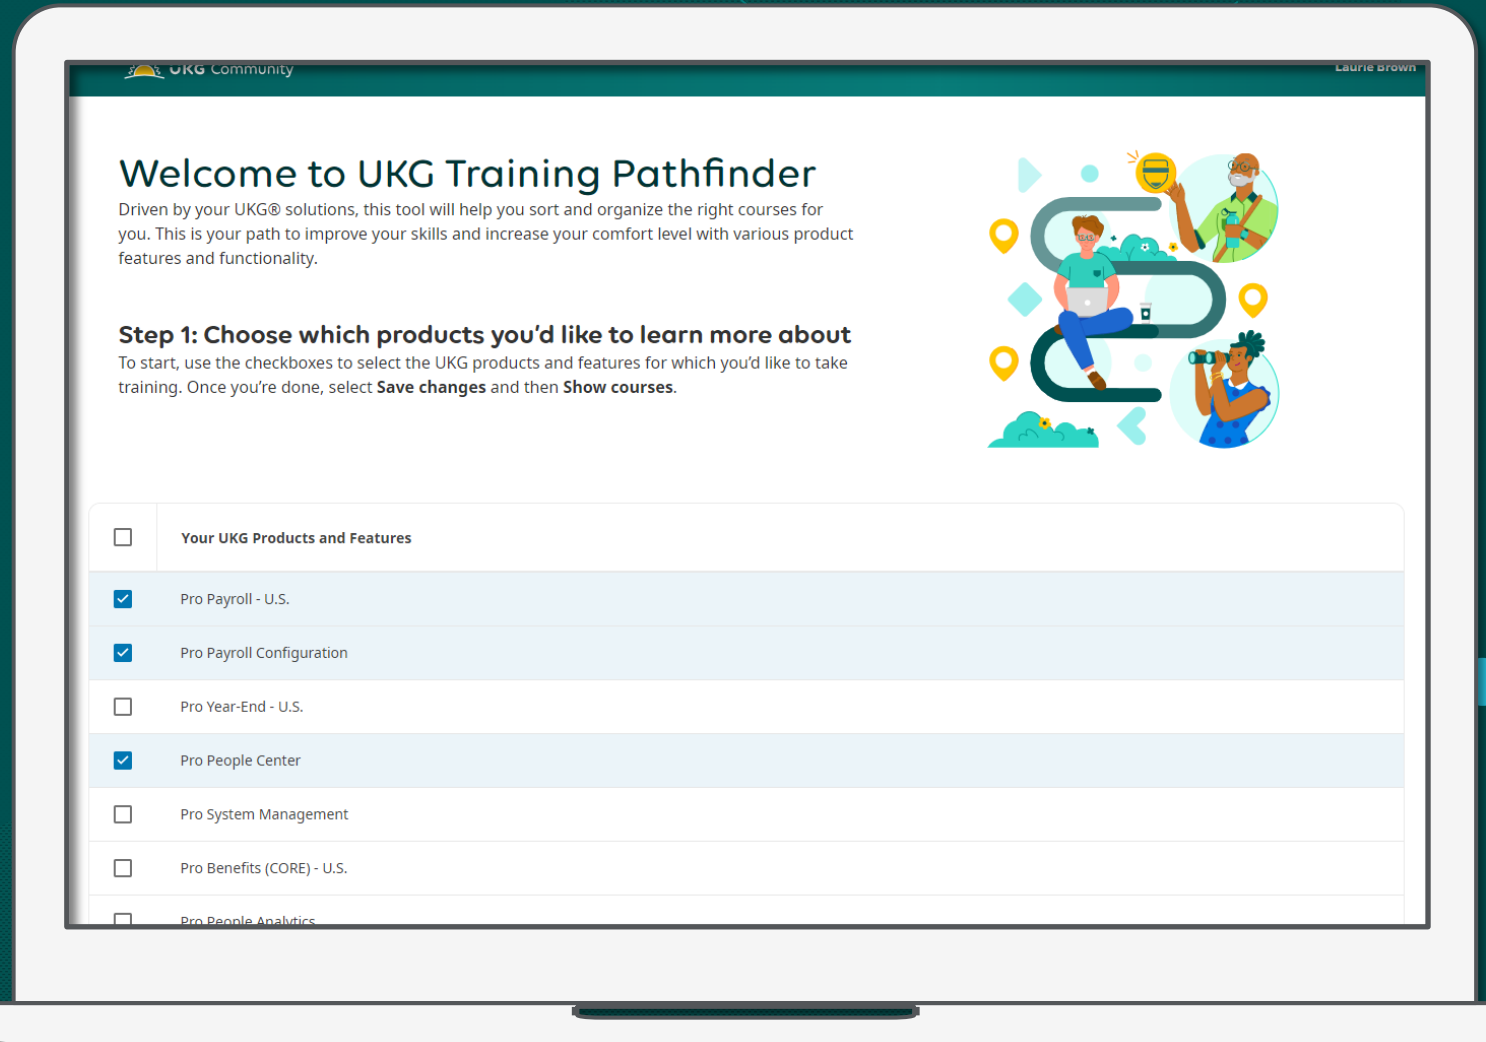

A training tool that helps you sort and organize your UKG University training courses

The UKG Training Pathfinder™ empowers you to easily identify the training relevant for you and create your personal training path based on the UKG solutions your organization uses.

Here's how to access Pathfinder

In the [UKG Community](#) navigate to *Learn > Select your product > Training > Create your training path*

[Read this blog](#) on the Working Smarter Café to learn how to access and use Pathfinder

UKG Support Resources

UKG Support Model Introduction

Your personalized and proactive approach to success

Success Krew Support Model

- We've organized our support groups into small teams called Success Krews.
- An experienced professional Success Krew manager leads each Success Krew team.
- You'll work with the same familiar team of experts, resulting in faster issue resolution and consistent support.

Personalized Proactive Service

- We offer a variety of support options, so you can choose what suits you best.
- For critical situations, our Rapid Response Contact Center is available 24/7 through a toll-free hotline.
- Your dedicated Success Krew handles non-critical issues for your core solutions, but our Rapid Response team is available for immediate assistance if you require critical support.

Access to Your Success Krew Manager

- You have a dedicated Success Krew manager who provides guidance and oversight to make sure your UKG support experience meets your desired outcomes.
- They step in when needed to assist you in critical or escalated support-related cases. If you need additional support, you can reach out to them via @mention in the case or email directly.
