

# Get ready to move into the neighborhood!

We can't wait to see you in the UKG Community! With move-in day right around the corner, here are a few things you can do now to prepare.

- Review your groups.** We're migrating your current groups to the new community. If you're happy with your groups, there's nothing you need to do. But now may be a good time to leave groups that don't apply to you anymore.
- Register for a webinar.** We'll be presenting a live webinar on May 19 to give you a deep dive on how to navigate the new neighborhood and answer your questions. Can't make it? [Register](#) anyway, and we'll send you a link to the recording.
- Take a virtual walk-through.** Get hands on and [explore your new neighborhood](#) in this interactive digital experience.
- Get your profile photo ready.** Let your new neighbors put a face to a name. Choose your picture now so you can easily update it on move-in day. For every picture updated within the first month of our launch, we'll be donating to Habitat for Humanity.
