

Welcome to the neighborhood!

We're so glad you're here. Get settled in by completing these first steps.

- Update your profile photo and nickname.** Let your new neighbors put a face to a name. For every picture updated within the first month of our launch, we'll be donating to Habitat for Humanity.
- Sign up for notifications.** Select your email notification preferences in My Settings.
- Find your product resources.** Go to Learn, choose your product, and check out things like release notes, training, and more.
- Join the Community Home Base Group.** Ask a question or post a helpful tip. Also be sure to rejoin any groups that may not have migrated over.
- Bookmark the [Help page](#) and [Resource page](#).**
